Following elections on Sunday 6 Nov. 2011, a new Executive Committee has been formed as follows:

- Demetris Demetriadis
- Evros Evripidou
- George Efthymiou (Treasurer)
- Haris Neokleous

The handover of documents and archives from the outgoing Executive Committee took place on 15 November 2011. Unfortunately the Treasurer of the previous Committee was unable to attend, for reasons which we fully understand, therefore the handover of financial documents etc. will take place as soon as possible by mutual arrangement. After careful study of all relevant documents and archives, duties and responsibilities will be allocated to the new Committee members as appropriate. More details will follow.
